

THE CYCLE OF THE REVELATORY WORK OF GOD

- ◆ God **REVEALED** His Word to Man through the **Holy Spirit**. (2 Timothy 3:16-17; Hebrews 1:1-2)
- ◆ God then **INSPIRED** those men to write the WORD down through the leading and guidance of the **Holy Spirit**. (2 Peter 1:20-21)
- ◆ Man then reads the WORD and it is **ILLUMINATED** through the **Holy Spirit** so that Man can understand its truth. (John 16:13; 1 Corinthians 2:14; 2 Timothy 3:16-17)
- ◆ Man takes the truth of the WORD and **APPLIES** it to his life, living it through the power of the **Holy Spirit** as a life lived in glory and honor to God. (Romans 12:2; Galatians 5:16; Psalm 119:11; James 1:22-25; Titus 1:1)

*The HOLY SPIRIT is actively involved in every aspect of the revelation of God.
The process begins and ends with GOD
The purpose of man is to understand God's revelation concerning Himself and live a
life that brings glory and honor to Him*
